Guringai Festival

A Celebration of Aboriginal Culture & Heritage

Guringai Festival

This postcard commemorates the first anniversary of the Apology on Friday 13 February 2009.

At this momentous point in history, reconciliation and respect truly began for all of us to come together in the traditional homeland of the Guringai.

Guringai Festival 25 May to 12 July 2009
Art exhibitions, performances, films, environmental walks, workshops and talks are run across the region by ten councils, alongside reconciliation and community groups.

Guringai Festival is a unique way to celebrate all that is beautiful about Aboriginal culture and heritage.
